ACCEPTANCE

If I keep my head down it will go away. Things like this have in the past.

Do nothing and they will forget about it.

Great, I can get my team to manage their own performance and update me through the system.

I am going to diarise the meetings now.

This is really going to save me time at appraisal.

They're still going on. I guess I really have to do this!

When does it need to be done by?

So how does this work again?

Where's my team?

Could I use it for...?

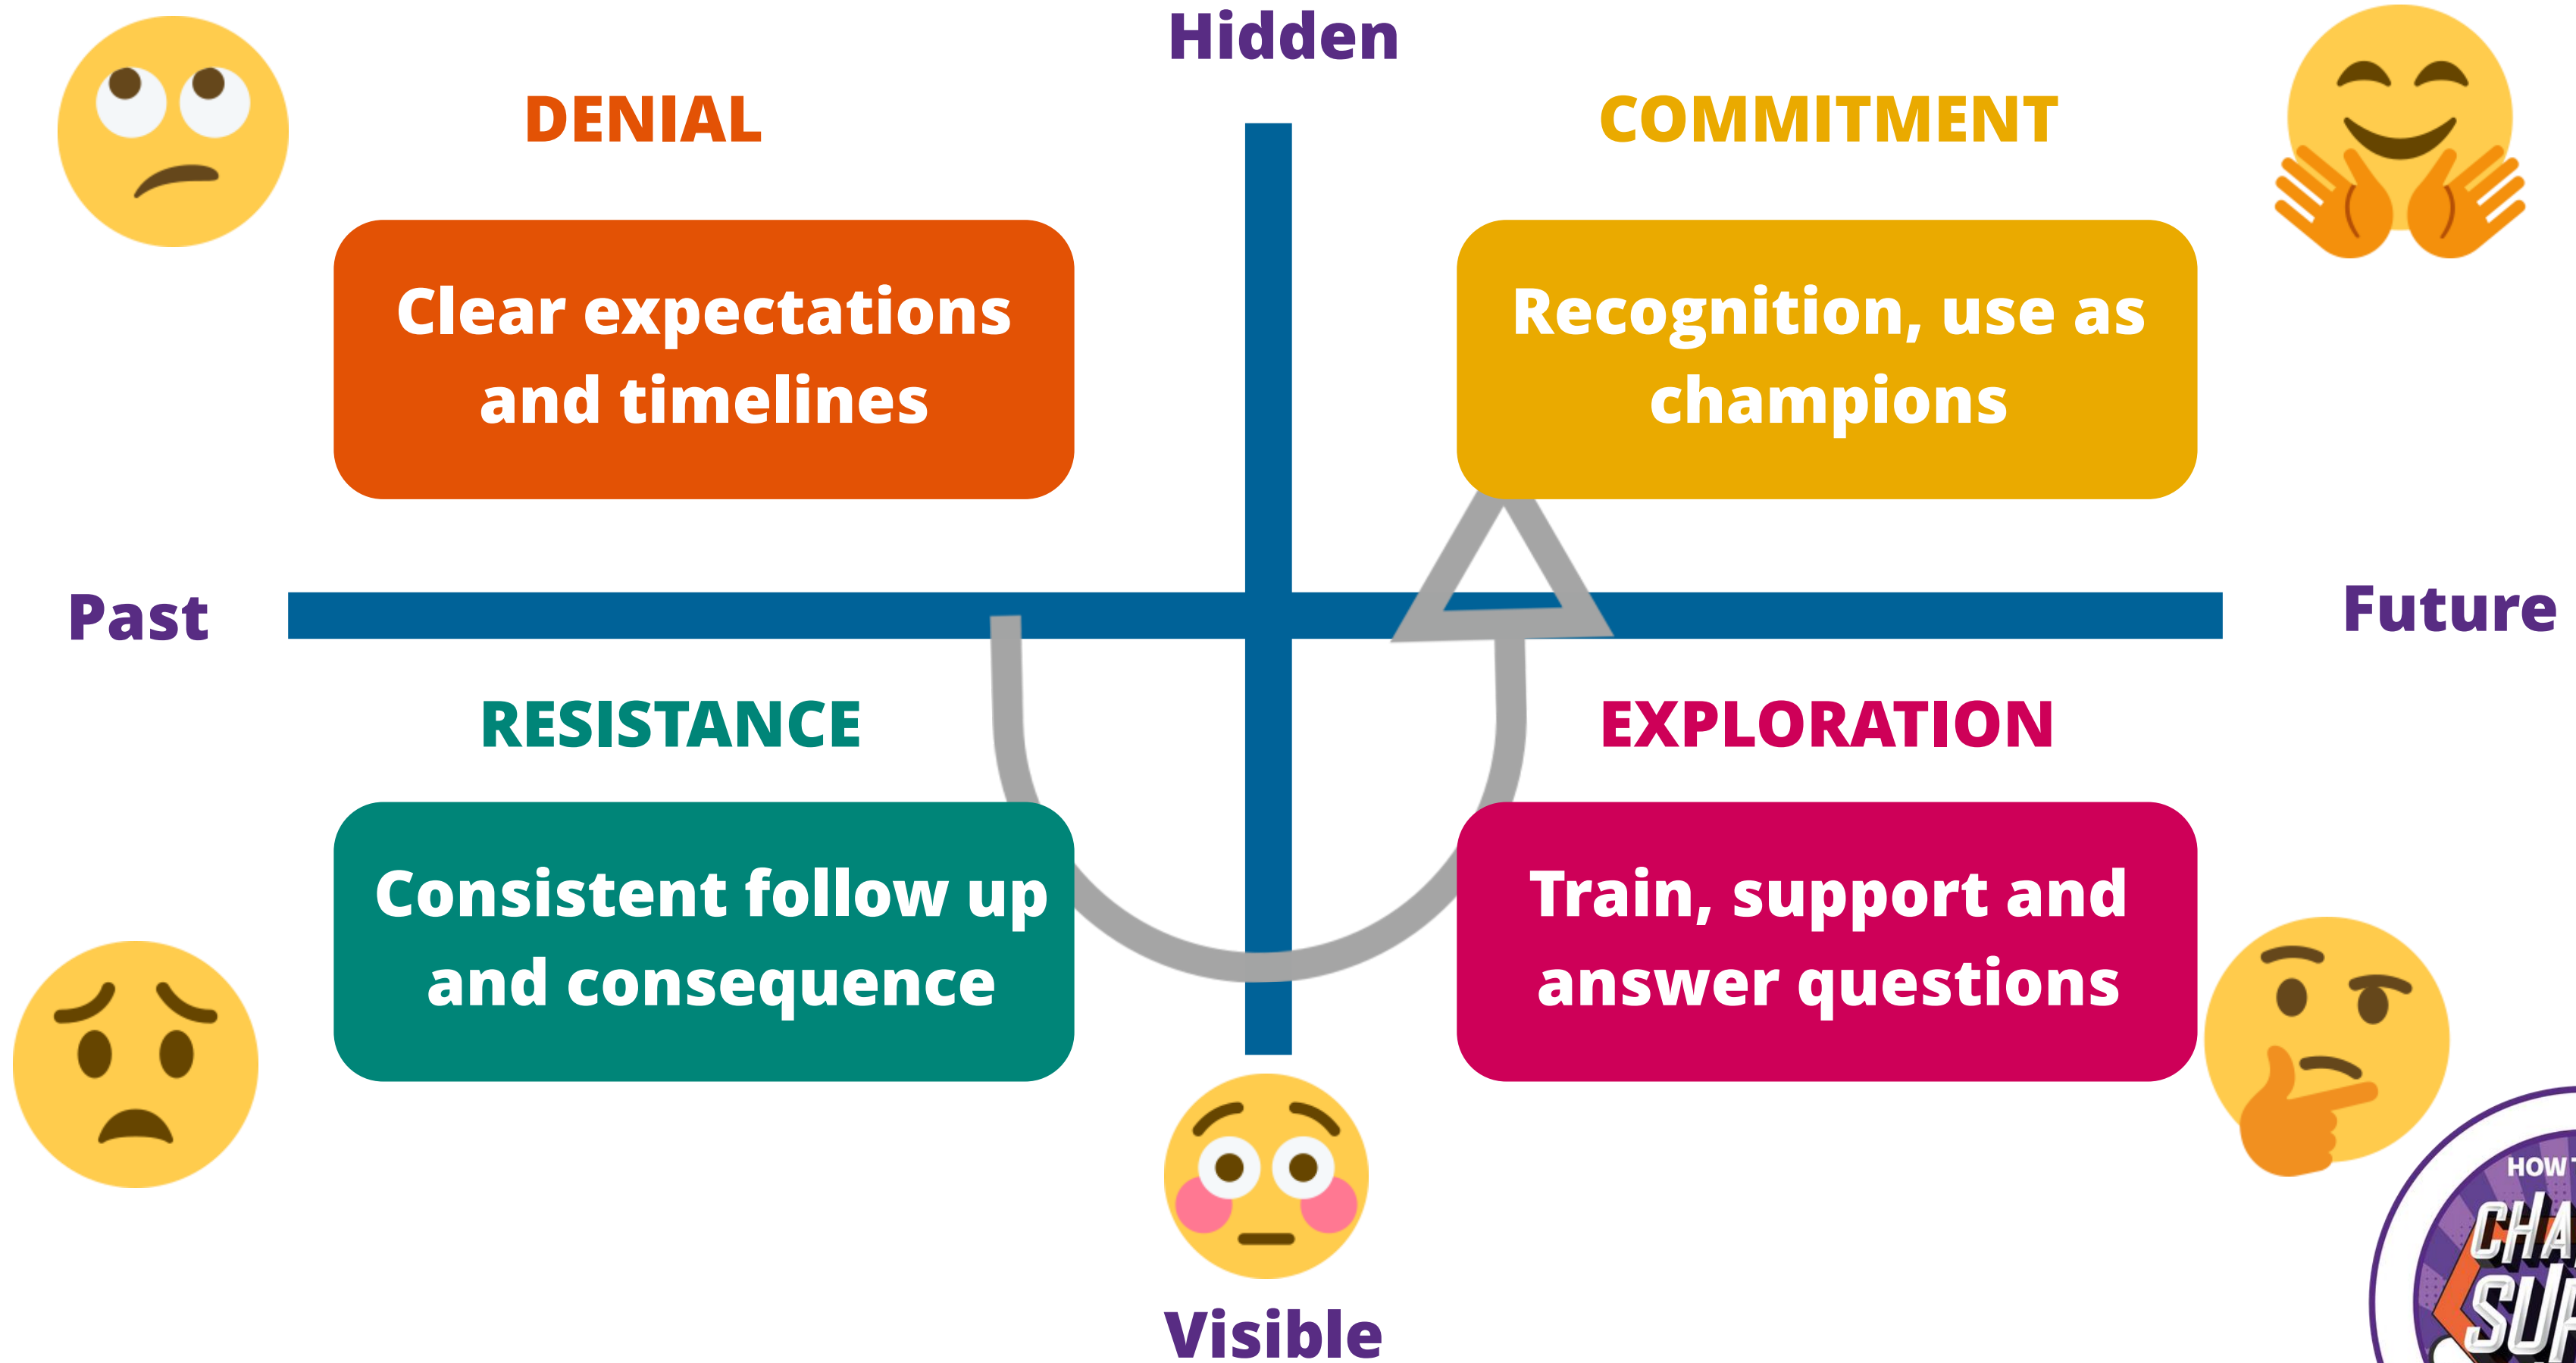

I can't log in. I haven't got a suitable device. No one told me what to do.

I haven't got time to do this.
